

MINERSVILLE AREA SCHOOL DISTRICT

and

T-MOBILE'S Project 10 Million (P10M)

This grant program through T-Mobile's P10M allows the District to charge zero to minimal monthly amounts for a T-Mobile hotspot.

If you are interested, a Hotspot Agreement Form and fee schedule can be found at battlinminers.com under the T-Mobile P10M link.

Interested families can email completed forms to hotspot@battlinminers.com until 12/23/2020 for the first round distribution.

Please allow for time until we process the orders and receive the hotspot from T-Mobile

The District has tested this device at Buck Run, Branchdale, Forestville, Heckscherville, and Primrose with very positive results.

Any questions can be directed to Mr. Joel Motuk at jmotuk@battlinminers.com
