## **Message from the Minersville Area High School Administrators**

It is with great pride and pleasure that we welcome you to Minersville Area High School. This student handbook is published and distributed to all students and families to explain the expectations and policies that govern the daily operations of our school. It is essential that all students and families read the information contained in this handbook. This publication was created to assist in your academic success at Minersville Area High School and create a safe and secure learning environment for all students and staff. If you need additional information, please contact your principal, assistant principal, counselor, or a teacher for assistance.

The goal of Minersville Area High School is EXCELLENCE, and the striving to reach this goal must be a cooperative effort on the part of the students, teachers, administrators, parents, and community. We earnestly solicit your cooperation in this venture and assure you that the result will be well worth the effort. Therefore, we urge you to become actively involved in your student's studies, co-curricular and extra-curricular activities, and the pride that Minersville Area High School offers.

## **CODE OF STUDENT CONDUCT**

The staff of Minersville Area Junior Senior High School welcomes you to another school year. We are committed to do our best to help you meet the challenges of this year's school program as we help you prepare for the ever-changing demands of society around us.

There is also the expectation that you, the student, will share in this commitment by being dedicated to your education, developing good work habits and cultivating a wholesome attitude about yourself and your school.

One of the major goals of education is to help students learn self-discipline, to know how to act and how not to act in various situations, and to accept responsibilities. Meeting the expectations of the school is part of the educational process. The purpose of this code is to make known the responsibilities of each student, so that all students may realize their full potential, and so we may be able to provide the best possible learning climate.

**However, these guidelines are not intended to be all inclusive as they do not always cover every situation and every condition. Therefore, if in the judgment of the high school administration, a student's behavior is not defined in the code of student conduct, the administration will take appropriate action in the best interest of the student and the school.**

Section 1317. Authority of Teachers, Vice Principals and Principals over Pupils. Every teacher, vice principal and principal in the public schools shall have the right to exercise the same authority as to conduct and behavior over the pupils attending his school, during the time they are in attendance, including the time required in going to and from their homes, as the parents, guardians or persons in parental relation to such pupils may exercise over them (1317 amended July 25, 1963, P.L. 315, No. 169).

## **JURISDICTION OF STUDENTS**

School officials have authority for the disciplinary control of students:

- while on school premises
- while walking, driving, or riding to and from school
- while on school buses to and from school, on school sponsored field trips/events, and while attending or participating in extracurricular activities
- while engaged in related school activities on or off school premises
- while off school premises, if misconduct or language is directed toward school personnel or Minersville Area School District students

Students charged with offenses in the community may be assigned alternative educational programs in order to maintain a safe and secure school environment for students and school personnel.

## **ROLES AND RESPONSIBILITIES**

All children have a right to be enrolled in the Minersville Area School District. In order for our children to maximize those opportunities provided through public education, everyone shares the responsibility of promoting behavior that provides an environment in which all children can learn. The healthy development of children requires the cohesive and consistent application of a common set of expectations. Thus, all members of society have a major role to play as positive models for respectful behavior. Respectful behavior is expected toward self, others and property.

The following roles and responsibilities for students, parents and guardians, school system personnel, community and family service organizations are offered for consideration in striving to create safe and nurturing communities of which schools are an integral part. In many instances, these roles and responsibilities are being fulfilled; in those cases, where they are not, these are offered as goals toward which to strive.

## **STUDENTS' RESPONSIBILITIES**

Students who are positive in their actions assist and encourage teachers to maintain a classroom atmosphere that best meets the needs of all students. Students put forth their best efforts during the education process when they:

- accept responsibility for their actions and education while abiding by established school rules, regulations, and laws of the community, state and nation;
- come to school with positive attitude in order to realize opportunities for academic and personal growth;
- model positive behavior and language which reflect cooperation with all members of the school community;
- come to school prepared to learn, bring only those items and materials which are appropriate for the educational program (being prepared for class reduces interruptions to the classroom procedure);
- arrive on time so that introductory instructions and materials will not be missed and class time can be used effectively;
- listen to what is said in order to acquire needed information and to avoid needless repetition by the teacher;
- participate in class activities in order to gain new knowledge, clarify vital information, and reinforce concepts learned;
- respect the rights and property of self and others, thus practicing good citizenship;
- exercise self-control and good manners in order to develop positive relationships with others;
- respect the authority of school personnel so as to maintain good working relations.

### **PARENTS' AND GUARDIANS' RESPONSIBILITIES**

Parents are the first teachers who provide direction for our children. With the support of the community, they:

- provide their children with a warm, nurturing, and healthy environment, assuring support and the resources needed to be successful;
- support and reinforce behavior expectations and disciplinary policies of the school by assuming the primary responsibility for the discipline of their children;
- reinforce learning at home and support academic and extracurricular activities;
- ensure that their children attend school every day and arrive on time, but recognize there are extraordinary occasions when a student is lawfully absent or tardy; and
- teach their children to seek positive resolution to problems encountered in daily living and to handle confrontation non-violently.

### **MINERSVILLE AREA SCHOOL SYSTEMS' RESPONSIBILITIES**

Each member of the school staff has the primary responsibility of providing for the educational needs of all students. The school staff members are responsible for:

- maintaining an atmosphere conducive to good behavior and developing good study habits;
- exhibiting a respectful and positive attitude toward students to encourage a positive, realistic self-image in each learner;
- implementing the accepted curriculum in a variety of ways to meet the needs of all learners;
- administering discipline in a fair and impartial manner to teach the principles of justice and citizenship by example; and
- promoting a friendly, yet professional, relationship with learners so they may see themselves as meaningful parts of the society in which we live.

## **SCHOOL PROCEDURES & POLICIES**

### **BREAKFAST**

Breakfast is available for students each morning from **7:15 a.m. until 7:40 a.m.** in the cafeteria. Only students eating breakfast are allowed in the cafeteria at this time. All cafeteria lunch rules are expected and enforced during breakfast. Weekly money distributed to student accounts can be completed during the breakfast period. Throughout the school year, students may have the opportunity to participate in extended breakfast periods.

### **BUSES**

Bus riding is a privilege that can be suspended due to continued and documented misconduct. Infractions of the rules will result in disciplinary action. These infractions include but are not limited to: disrespect to the driver, harassing the driver or other students, playing music or other noise from electronic devices, throwing objects, not sitting properly, and using banned or illegal substances and/or electronic cigarettes (vapes).

Students must ride their assigned bus and leave the bus only at their designated stops. Exceptions will be made only when a student gives the Transportation Secretary in the District Office a permission slip signed by their parent or guardian.

### **CAFETERIA**

A hot/cold lunch program is offered in the school. Lunch menus are posted throughout the building. Students who forget their lunch money may sign for and receive a limited lunch menu. Lunch is served during a 30-minute lunch period.

trash, trays, dishes, and silverware in their appropriate receptacles. Students should also clean their table areas at this time. When leaving the cafeteria, students should place chairs under tables and check that the area is clean for the next lunch group. No food is allowed to be taken from the cafeteria. All students are expected to behave appropriately in the cafeteria. Any student who displays inappropriate behavior may be sent to an alternate location, thus losing their cafeteria privileges.

## **LOBBY**

Students are allowed in the lobby from arrival of first bus until 7:25 AM, when the first bell rings. Students wishing to enter the academic wing prior to 7:25 A.M. must have a written pass from a teacher or permission from an administrator.

## **LOCKERS / BAGS AND CONTAINERS**

Each student will be assigned his/her own locker. Students will maintain lockers for one year only. Lockers are not to be shared, and combinations must always be kept confidential. Locks and lockers that do not operate properly should be reported to the main office. The student's use of a locker does not diminish the school's ownership/control of the locker, or the right of an administrator to inspect the locker to insure proper usage of the locker within the guidelines of its intended purpose. Contraband/illegal items stored in lockers will not be treated as "personal property" and are subject to confiscation. The student will be subject to any charges appropriate under the Code of Student Conduct as well as under the law.

To ensure safety and reduce classroom congestion: hats, coats, hoodies, carrying cases, or any other bag or containers should be placed in lockers upon arrival at school and remain there until the end of the day. Students with sports bags or musical instrument cases that do not fit in their locker should make arrangements with their coach or teacher to properly store their bag. None of the above items are permitted in classrooms, the cafeteria, or left outside the classroom in the hall, except:

- 1) Backpacks may be carried throughout the day by students. The administration reserves the right to restrict bookbags from being used throughout the day due to continued misuse of bookbags or safety concerns.
- 2) Bookbags/gym bags may not be taken to the cafeteria. A reasonably sized lunch container may be removed from a student's locker immediately prior to lunch and returned immediately following lunch.
- 3) A reasonably sized gym bag may be removed from a student's locker immediately prior to PE and returned immediately following PE.

## **LOST AND FOUND**

Lost and found is located in the high school office. Students should check with the secretaries for any items that are lost. If a student finds an item, please leave it at the high school office so that it can be returned to its proper owner. At the end of each marking period, lost and found articles will be discarded.

## **LUNCH**

During the first week of school, students will be given an application to apply for free or reduced meal prices. Eligible free/reduced lunch students will automatically be credited with free/reduced lunch in the cafeteria system.

## **ABSCENCES and MAKE-UP WORK**

Any student whose absence has been **verified as lawful/excused** will have the opportunity to make up any missed class work or assessments. It is the responsibility of the student to obtain and to complete the work provided by each teacher.

- Students will be granted one (1) academic day to make up work for each day of absence (up to five (5) including Saturday and Sunday).
- All make-up work completed within the established timeline will be graded in accordance with the regular classroom grading policy.

- For excused absences of more than five (5) consecutive school days, the principal will determine the allotted time to make up work. Five days will be allotted unless the student receives written approval from the principal.
- **Unexcused absences** may result in the loss of academic credit.
- Students who are absent for ten (10) consecutive school days may be dropped from the academic rolls.

NOTE: *Any appeals for exceptions to the “day-of-return” policy must be made to the principal before the student’s return.*

### **OBJECTS – UNAUTHORIZED**

Objects or devices, including but not limited to e-cigarettes, pagers, i-pods, radios, tape or CD players, jam boxes, water guns, or objects which might disrupt the educational process, incite fear/safety concerns, cause discomfort or distraction by sound, smell, or visual means are not permitted on school property. Administration may assign students disciplinary actions and/or confiscate items as evidence not to be returned to students or families.

### **PEP RALLIES/ ASSEMBLIES**

Pep rallies and assemblies will be held at various times throughout the year to support the school’s athletic teams.

Students are required to sit with their grade in the designated section. Students are to act responsibly and show their enthusiasm appropriately.

### **PHYSICAL EDUCATION**

All students are required to take and pass courses in physical education unless a medical waiver is properly documented and filed with the principal’s office. Students with an acceptable medical waiver from P.E. class may not participate in any extra-curricular activity requiring exertion unless sanctioned by medical authority and accepted by the principal. A student with a minor health problem or injury should approach the physical education instructor, who may substitute an alternate assignment. Because of the requirement to complete physical education courses each year, students in danger of failing, for lack of participation, will have written correspondence sent home after a 20% deduction has been assessed for unexcused class violations. A parental conference will be required when a 30% deduction level has been reached.

During class students may either store their valuables in the gym teacher’s office or secure a lockable gym locker (if available) for a refundable deposit. Any item left in the gym is unsecured. The school is not responsible for stolen items.

### **PREGNANCY**

An expectant mother shall not be excluded from school unless a written certification by an attending physician is submitted to and accepted by the district stating that school attendance would be harmful to the student or fetus. It shall be the student’s responsibility to inform school personnel of pregnancy prior to performing any functions which might be detrimental to the health of the student or fetus. Excuse from activities shall be granted with the recommendation of a physician.

Homebound instruction or alternative education shall not be offered unless attendance during pregnancy would be harmful, however, a student may make arrangements through the high school office to make up work missed during absences due to the pregnancy.

### **DUE PROCESS**

The Board of School Directors believes that education is a fundamental right, and students must be afforded all appropriate elements of due process if they are to be excluded from school. In a case involving a possible expulsion, the student is entitled to a formal hearing, which is a fundamental element of due process.

1. Informal Hearings

- a. When a suspension exceeds three school days, the student and parents or guardian shall be given the opportunity for an informal hearing consistent with the requirements set forth in Section 12.8(c) (relating to hearings).
- b. The purpose of the informal hearing is to enable the student to meet with the appropriate school official to explain the circumstances surrounding the event for which the student is being suspended, to demonstrate that there is a case of mistaken identity or to show that there is some compelling reason why the student should not be suspended. The informal hearing also encourages the student's parents or guardian to meet with the principal to discuss ways by which future offenses can be avoided.
- c. At the informal hearing, the following due process requirements are to be observed:
- d. Notification of the reasons for the suspension in writing, given to the parents or guardian and to the student.
- e. Sufficient notice of the time and place of the informal hearing.
- f. A student has the right to question any witnesses present at the hearing.
- g. A student has the right to speak and produce witnesses on his own behalf.
- h. The district shall offer to hold the informal hearing within the first five days of suspension.

2. Formal Hearings

- a. Expulsion is exclusion from school by the Board of School Directors for a period exceeding 10 school days and may be permanent expulsion from the school rolls. All expulsions require a prior formal hearing under Section 12.8.
- b. A formal hearing may be held before the Board of School Directors or a duly authorized committee of the Board, preferably composed of no fewer than three members of the School Board. The hearing committee's decision is advisory to the School Board where expulsion is recommended. A majority vote of the entire School Board is required to expel a student.
- c. At the formal hearing, the following due process requirements are to be observed:
  - (a.) Notification of the charges in writing, sent to the parents or guardian by certified mail, and to the student.
  - (b.) Sufficient notice of the time and place of the hearing.
  - (c.) The right to an impartial tribunal.
  - (d.) The right to be represented by counsel.
  - (e.) The right to demand that any such witnesses appear in person and answer questions or be cross-examined.
  - (f.) The student's right to testify and produce witnesses on his/her own behalf.
  - (g.) A record must be kept of the hearing either by a stenographer or audio recorder. The student is entitled, at the student's expense, to a copy of the transcript.
- d. If requested by the student or the student's parents, the hearing shall be in private.
- e. Where the student is dissatisfied with the results of the hearing, recourse can be had to the appropriate state court. If it is alleged that a constitutional issue is involved, the student may file a claim for relief in the appropriate federal district court.

**FERPA**

Notification of Rights for Elementary and Secondary Schools, The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records.

These rights are:

1. The right to inspect and review the student's education records within 45 days of the day Minersville Area School District (MASD) receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students may ask MASD to amend a record that they believe is inaccurate or misleading. They should write to the school principal (or appropriate official), clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school official decides not to amend the record as requested by the parent or eligible student, the school official will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right of a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical

consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-4605 5. As required by Federal law, parental consent is not required for the release of Directory Information, which is information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. The Minersville Area School District designates the following as Directory Information: the student's name, address, telephone number (with the exception of unlisted telephone numbers), date and place of birth. A parent/guardian or eligible student may notify the District in writing of their refusal to allow the District to release Directory Information without prior consent. Except for Directory Information, all personally identifiable records directly related to the student shall be kept confidential, unless the parent/guardian signs a consent form releasing such information.

### **PRPA**

Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA) affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams.

These include the right to:

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education: 1. Political affiliations or beliefs of the student or student's parent; 2. Mental or psychological problems of the student or student's family; 3. Sex behavior or attitudes; 4. Illegal, anti-social, self-incriminating, or demeaning behavior; 5. Critical appraisals of others with whom respondents have close family relationships; 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers; 7. Religious practices, affiliations, or beliefs of the student or parents; or 8. Income, other than as required by law to determine program eligibility.
- Receive notice and an opportunity to opt a student out of – 1. Any other protected information survey, regardless of funding; 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- Inspect, upon request and before administration or use – 1. Protected information surveys of students; 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and 3. Instructional material used as part of the educational curriculum. These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State Law. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:
- Collection, disclosure, or use of personal information for marketing, sales or other distribution.
- Administration of any protected information survey not funded in whole or in part by the Department of Education.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-5901

### **FREEDOM OF EXPRESSION**

Students have the right to express themselves unless such expression materially and substantially interferes with the educational process, threatens immediate or serious harm to the welfare of the school or community, encourages unlawful activity or interferes with another individual's rights (PA Title 22, Section 12.9,b).

### **PROTECTION FROM SEXUAL ABUSE AND HARASSMENT**

The law is clear that school districts have a duty to protect students from sexual abuse and harassment. It is the policy of the Minersville Area School District to prohibit improper conduct of whatever kind, including sexual abuse and harassment of students, by school employees, fellow students, and others who come in contact with students during school or through school activities. Students and school employees are encouraged to report any suspected violations of this policy to the guidance office, high school administration or superintendent without fear of retaliation.

### **SEARCHES AND SEIZURES**

The school district recognizes that The Fourth Amendment provides that students have a right "to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures." However, with the passage of the Gun Free Schools Act, the Safe Schools Act, and Act 26 of 1995 that amends the School Code, it is imperative that the school also recognizes its responsibility to protect and maintain the health, welfare, and safety of all students.

Consequently, the school district contends that school lockers and desks belong to the school, and that students are only given permission to use them. It is with this understanding that students should assume no expectation of privacy and realize that searches may

be conducted by school officials with or without any suspicion of wrongdoing on the part of the student. Students should be aware that all student desks and lockers may be searched at any time and for any reason, with no qualifications or exceptions.

Student lockers and desks will be inspected from time to time to ensure that they are being properly cared for and that the contents are in no way harmful to the student and other persons in the school building. Any illegal material may be seized. Along with police, drug detection canines may be used to search school grounds.

Students may be asked to empty their pockets, book bags, purses, and other personal articles to search for illegal, controlled, or criminal material. Parents will be contacted and made aware of the reasons for the search. Please review the MASD Board Policy #226 for more information regarding searches.

### **STUDENT PRIVACY**

No student shall be required to submit to a survey, analysis, or evaluation that reveals information concerning:

1. Political affiliations
2. Mental and psychological problems potentially embarrassing to the student or his family.
3. Sexual behavior and attitudes
4. Illegal, anti-social, self-incrimination and demeaning behavior
5. Critical appraisals of other individuals with whom respondents have close family relationships
6. Legally recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers
7. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program) without the prior written consent of the student (if the student is an adult or emancipated minor), or in the case of an un-emancipated minor, without the prior written consent of the parent. Such survey, analysis, or evaluation may, however, be conducted on a wholly voluntary basis, provided that the student and parents have been notified of their rights.

### **FLAG SALUTE AND THE PLEDGE OF ALLEGIANCE**

It is the responsibility of every citizen to show proper respect for his/her country and its flag.

1. Students may decline to recite the Pledge of Allegiance and may refrain from saluting the Flag on the basis of personal belief or religious convictions. The school district is required to notify parents in writing that their child is not reciting the Pledge of Allegiance.
2. Students who choose to refrain from such participation shall respect the rights and interests of classmates who do wish to participate.
3. The Pennsylvania Legislature passed Act 157 of 2002. The law states the following:
4. All supervising officers and teachers in charge of public, private or parochial schools shall cause the Flag of the United States of America to be displayed in every classroom during the hours of each school day and shall provide for the recitation of the pledge of allegiance or the national anthem at the beginning of each school day. Students may decline to recite the pledge of allegiance and may refrain from saluting the flag on the basis of religious conviction or personal belief. The supervising officer of a school subject to the requirements of this subsection shall provide written notification to the parents or guardian of any student who declines to recite the pledge of allegiance or who refrains from saluting the flag.

### **SAFETY DRILLS**

Fire drills are conducted monthly throughout the year. Students shall exit the building in an orderly manner, following the fire escape directions posted in each room. The school will also conduct other safety drills including but not limited to, active shooter, lockdown procedures and severe weather drills. These drills will be held in conjunction with local law enforcement. Improper student behavior during drills or actual emergencies will not be tolerated and may be assigned disciplinary consequences.

Public displays of affection are considered, but not limited to: kissing, embracing/holding another student, walking/standing with arms around another student, or holding hands with another student. Continued violations of this procedure will be met with disciplinary action.

### **SICKNESS PROCEDURE**

Students who feel ill and need to see the nurse are expected to report to class, inform their teacher, and secure a health room pass. If the nurse's office is closed, students should report to the office. The nurse, or medical substitute, are the only individuals who can lawfully send a student home sick. Any student who contacts their parent/guardian to come pick them up or leaves sick without approval by the nurse, or designee, will be considered unexcused for the time left and may lose academic credit and/or eligibility to attend extra-curricular activities.

### **TEXTBOOKS**

Textbooks are issued free of charge to pupils. When textbooks are issued each teacher makes a record of the number of books in good condition. If the book is damaged or lost, the pupil must pay for it before receiving credit for the subject.

## **TOBACCO/ELECTRONIC CIGARETTES/VAPING POLICY**

Tobacco use or possession by students is prohibited in the school building, on school buses, and on school property leased, owned, or under the control of the Minersville Area School District. Violation of this rule will result in disciplinary action, including the filing of a summons with the District Justice Office charging the student with violation of Section of the Crimes. Tobacco possession includes tobacco of any kind found on a student's person as well as that which is found in a student's locker, book bag, purse, etc.

- For purposes of this handbook, tobacco includes a lighted or unlighted cigarette, cigar, pipe or other smoking product or material, smokeless tobacco in any form, and **electronic cigarettes and vaping devices**. Electronic cigarettes are defined as battery-operated products designed to deliver nicotine, flavor and other chemicals by turning the substances into vapor that is inhaled by the user.
- Student health and safety is of utmost importance. MASD recognizes the need for both disciplinary measures and therapeutic support. In addition to disciplinary consequences which begin with no less than three days of in-school suspension, students may be required to complete a smoking cessation/education course to be provided by the district.
- **First Offense – Level 3 offense consequences (3-5 days ISS/OSS), referral to SAP, citation with local magistrate.**
- **Second Offense – Level 3 consequences, citation with local magistrate.**

## **VISITORS**

All visitors must report to the office, must sign "in" and "out," secure a "visitor's pass" from the office to circulate about the school. **Visitors must show valid identification**, i.e. driver's license to enter the building. Persons wishing to visit for a short time should have such visits cleared by the principal.

Persons wishing to visit for an entire day (or a significant portion thereof) must receive permission from the principal at least one day in advance.

## **WORKING PAPERS**

Students, prior to employment, must obtain working papers under Pennsylvania law. Information and forms are available in the district office.

The Pennsylvania Child Labor Law states that no person under sixteen years of age may engage in an occupation when schools are in session. Persons between the ages of sixteen and eighteen years may secure a General Employment Certificate when schools are in session if they furnish all of the following:

1. birth certificate or baptismal certificate
2. legal proof of age
3. written promise of employment
4. a certificate of physical fitness
5. written parental permission

Pupils between the ages of fourteen and eighteen may secure Vacation Employment Certificates when schools are not in session, provided they meet the same requirements listed above.

## **ACADEMIC AND GUIDANCE PROCEDURES**

The Minersville Area Junior-Senior High School offers a comprehensive curriculum for students in grades 7 through 12. The junior high curriculum focuses on academic programs to meet a student's ability level. The high school offers college preparatory, vocational-technical, and applied curriculums. Specific descriptions of each program are listed in the course selection book which is available on the school's website [www.battlinminers.com](http://www.battlinminers.com). Each program is designed to meet the needs and abilities of all students.

A student can request a change in curriculum if the request occurs within the first week of the school year. The request must be accompanied by a parent/ guardian note and receive the principal's approval.

### **FINANCIAL AID / SCHOLARSHIPS**

The Minersville Area School District recognizes the ever increasing cost parents face in financing a student's education beyond high school. The district, through its central office and the guidance department, provides students and parents with information on various scholarship opportunities. Scholarship opportunities are updated regularly at [www.battlinminers.com](http://www.battlinminers.com) under the guidance department link. The guidance department also sponsors an annual financial aid night prior to the beginning of the second semester.

### **GRADING POLICY & WEIGHTED COURSES (CP/AP/DUAL ENROLLMENT)**

Students in grades 7-12 will be graded according to the following scale on a report card. A percentage grade will be presented on the report card.

90%	<	100%	A
80%	<	90%	B
70%	<	80%	C
60%	<	70%	D
0%	<	60%	F

Students passing a foreign language or mathematics course with a grade of 60% to below 70% will receive credit for the course, but may not be moved on to the next level. Students may switch from one foreign language track to another only at the point at which they have completed the first level of their originally chosen language, and only that one time. Students may take two foreign languages simultaneously under certain restrictions.

A course that is more difficult and academically challenging is given an added numerical weight in determining the grade point average and class rank of a student. College Preparatory courses, third (3rd) and fourth (4th) year courses, Anatomy/Physiology I & II, Trigonometry/Pre-Calculus, Math Analysis, Calculus, AP Biology, AP Literature and AP Language and Composition will receive a percentage grade multiplied by AP courses will receive a percentage grade multiplied by 1.25. Most college prep courses are weighted 1.10.

Many college preparatory and AP courses have prerequisites. Please see the Course Selection Guide for those required prerequisites. *Note: College Preparatory Algebra I is not weighted.*

If there is a question concerning a grade, the student may discuss the grade with the subject teacher. If a parent/guardian has a question about the grade, they may discuss it with the teacher by arranging an appointment at a mutually acceptable time. This can be done by calling the school office at (570)544-1400.

Students have the opportunity to enroll in dual enrollment courses with an approved higher education institution that has a signed memorandum of understanding with the Minersville Area School District. Information regarding approved institutions, approved dual enrollment courses, and the application process may be found in the Career and Counseling Center. Dual enrollment courses are only available to seniors for the 2023-2024 school year and will carry the same academic weight and grading procedures as an advanced placement (AP) class offered by Minersville Area High School. Seniors are permitted to take up to four (4) credits AP or Dual enrollment classes. A dual enrollment course will count as a half (.5) credit at Minersville Area High School. Families are responsible for registering their child in a dual enrollment course and any tuition/fees incurred.

Student averages for semester 1 and semester 2 are determined by taking the percentage grade and multiplying that by the course weight. This calculation will produce the percentage grade for each course. By adding all percentages and dividing by total course credits, a student can determine his/her overall G.P.A. (Grade Point Average).

Note: *G.P.A. (Grade Point Average) will determine class rank in grades 9-12. Class rank will only be updated and posted at the end of semester 1 and semester 2. Minersville Area will not rank students in the 7th and 8th grade. Please review the MASD Board Policy #214 for more information regarding class rank.*

## **GRADUATION REQUIREMENTS**

Students must complete 22 credits in grades 9 through 12, and 20 hours of community service by the end of Grade 11. Specifically, credits are needed in the following subjects.

<u>Subject</u>	<u>Credits</u>
English	4.0
Science	3.0
History	3.0
Mathematics	3.0
Physical Education	1.0
Health	0.5
Electives	7.5
<b>Total</b>	<b>22.0</b>

\*\*It is highly recommended that a student in the college preparatory curriculum take Algebra I, Algebra II, and Geometry as well as 2 years of the same Foreign Language.

## **HONOR ROLL**

Minersville Area Junior-Senior High School has a three-tiered honor roll system.

1. Distinguished Honors - A student must have a final average of 93% to 100% in all subjects.
2. High Honors - A student must have a final average of 87% to 92% in all subjects.
3. Honors - A student must have a final average of 80% to 86% in all subjects.
  - Major subjects: English, Mathematics, Science, and Social Studies.
  - Minor Subjects: All others

## **INCOMPLETE GRADES**

Students who receive an incomplete grade in a course should immediately see the teacher and make arrangements to complete the missing work as soon as possible. An incomplete must be made up within two weeks or it becomes a failing grade, except under extreme circumstances, as determined by the principal.

## **MATRICULATION**

Matriculation is the process of selecting courses for the following school year. The process begins in the second semester of each year with the counselors meeting with students in their classrooms. The student can arrange a personal meeting with a counselor to discuss course selection if needed. The guidance department also conducts a matriculation night for students entering the school for the first time. Matriculation night is usually scheduled during matriculation for the current year.

## **PROMOTION POLICY**

The following guidelines constitute the credit requirements for promotion to the next grade:

Grade 7 - A student must pass a minimum of 5.0 credits to be promoted to grade 8.

Grade 8 - A student must pass a minimum of 5.0 credits to be promoted to grade 9. Grades 9- 12 – Students must pass at least 5.0 credits to remain on track for graduation.

All major subjects in grades 9 through 12 are divided into two .50 classes (A and B). If a student fails the 1<sup>st</sup> semester (A) of a course they will be unable to earn a full credit in that course regardless of their grade in the 2<sup>nd</sup> semester (B). They can still earn .50 credits for the second semester (B).

For ALL classes, students must pass English to be promoted to the next year. All students must have enough credits to be promoted to the next year. Example: If a student after tenth (10th) grade has ten (10) credits, then that would not meet the eleven (11) credit minimum requirement to be considered an eleventh (11th) grader. This student would then go through another year as a tenth (10th) grader.

## **REPORT CARDS**

The Minersville Area Junior-Senior High School issues report cards to students four times per year. The report card is issued to the student who is expected to take it home for parent/guardian review. Report cards are issued within 2 weeks of the end of each 45-day marking period. A notice of report card distribution will be given through our One Call System. A student will not receive a report card if he/she owes a debt to the school and may not be able to view or access grades in the Focus online system.

### **SENIOR AWARDS NIGHT**

Each spring the school recognizes and honors outstanding student achievement in both academic and extracurricular areas at our awards night program. Students receiving awards will be notified prior to the program. All community members are welcome to attend.

### **CLASS RANK**

Class rank is calculated each semester on the basis of a student's final grades in each subject area. It is a cumulative process that is calculated from grades 9 through 12. A student who takes Algebra I or foreign language in eighth grade will not have those courses counted as part of their high school class rank. (See "Grading Policy" for more details or MASD School Board Policy #214)

### **COLLEGE INFORMATION**

Students who are interested in applying to college should plan this with their guidance counselor. Information about colleges, including college catalogues and financial aid applications, is available in the guidance office. Students should listen to announcements, check the guidance link on [www.battlinminers.com](http://www.battlinminers.com), fill out required forms, and meet the necessary deadlines. If a student applies to a college or scholarship online, it is the student's responsibility to let the guidance office know when and where a transcript is needed to be sent. (See Transcripts for more information.)

Furthermore, **they must bring a permission slip from their parents at least one day prior to the visit. Upon return, the student must present a signed form from the college admissions office to verify the visit.** Students who visit local colleges are expected to attend school on the day of the appointment and sign in or sign out at a reasonable time.

### **COURSE DROPPING PROCEDURE**

Dropping a course must be arranged through a guidance counselor. A course drop request forms must be accompanied by a parent/guardian note and be approved by the principal. A student who drops a full year course must do so within the first week of the school year. Semester course drops must be completed on or before the end of the first week of the second semester. The dropping of all courses must be approved by the principal.

the guidance office prepare and send an official transcript.

### **TRANSFER/WITHDRAWING OR ENTERING**

Students who are leaving the Minersville Area Junior-Senior High School to transfer to another school or withdraw from school must process a withdrawal form from the high school. The student must also get each teacher to sign the form and clear all debts from his/her record. The student must then have an exit interview with a guidance counselor. New students must register in the district office. At the time of registration students must present a birth certificate and any records from their former school.

### **TECHNOLOGY AND CAREER CENTER**

Our students are eligible to attend the Schuylkill Technology Centers, located in Marlin and Frackville. Students who attend the Schuylkill Technology Center will attend Minersville Area High School for one semester and the Schuylkill Technology Center for the other semester. Students who are interested in admission to the Schuylkill Technology Center must complete an application during the matriculation of the previous year in order to be considered for admission. This curriculum is offered to all students in grades 9-12.

## **EXTRACURRICULAR ACTIVITIES**

Our school offers a wide variety of extra-curricular activities that will appeal to all ability levels and preferences see [www.battlinminers.com](http://www.battlinminers.com) for additional information.

Participation in athletics and extracurricular activities is a privilege at Minersville and not a right. A signed Drug Testing Policy form must be signed and returned before any student may participate in extracurricular activities. As a participant you are expected to uphold the highest of standards at all times because you are a role model for your peers, younger students and the community in general.

### **ELIGIBILITY POLICY**

The following regulations apply to all students participating in any extracurricular activities under the auspices of Minersville Area High School. Students ruled "ineligible" may not participate in extracurricular activities in ANY form - game, event, meeting, etc. - during the period of ineligibility. They may still attend athletic practices.

These standards are in addition to those of the PIAA. These are MINIMUM standards. Coaches may recommend more stringent standards which, when properly approved by the administrative process and Board of Education review, can be enforced. All students upon registration for participation in any extracurricular activity shall be given a detailed copy of the code of eligibility at the start of each season or activity. Both the student and a parent/guardian will be required to acknowledge by signature the receipt of such information. A brief summary of this code follows:

**Attendance** - Students may not participate in extracurricular activities if any of the following occur:

1. The PIAA regulations relative to student attendance shall apply to all athletic teams. In the main, this makes a student who accumulates twenty (20) days of absence in two consecutive quarters ineligible until he/she is in attendance for sixty school days following the twentieth day of absence. A detailed listing of these regulations will be given to each student at the outset of the school year.
2. If they are absent on the day of the game or event.
3. If they sign in after **8:30 AM** on the day of a game, practice or event, unless they supply a doctor's note or other official document upon entering.
4. If they sign out for illness or injury on the day of a game, practice or event unless they supply a doctor's note or other official document.
5. **If a student is absent on Friday, a doctor's note is required to participate in an event during the weekend.**

NOTE: *The principal has discretionary authority to waive these in exceptional cases.*

**Discipline:** - Students assigned detention on the day of an event must serve the detention before attending. Any students suspended ISS or OSS will **NOT** be permitted to participate in any extra-curricular activities that day. This includes practice, games, traveling with the team, attending the event as a spectator.

NOTE: *Students on out-of-school suspension (OSS) on a Friday, or the day before a weekend, are ineligible for any weekend games or events— unless the weekend contains 4 or more days—until they are reinstated on the day back from the weekend. (Students scheduled for ISS on the day before a weekend and who are absent on that day, are also ineligible for weekend events). Students are also ineligible if they are guilty of a violation of Board Policy on use of drugs or alcohol or if they are guilty of a violation of Board Policy on fighting as a sport participant.*

Additionally, the Principal has the right to rule a student ineligible for a period of up to ten (10) school days for serious or repeated school disciplinary code violations.

**Academics** - Students must have a passing grade in 6 courses in grades 7-12. Vo-Tech students must be passing their major shop area. Academic eligibility will be determined in four categories:

1. Past performance- On a report card or interim report card, including grade reports from the prior school year.
2. Current performance - weekly grade reports from teachers.
3. Cumulative ineligibility - ineligibility ruling four times during the school year.
4. Final eligibility – Final grade for the school year below sufficient credit level results in ineligibility for the beginning of the next school year.
5. Students found below the sufficient credit level (failing two or more classes) will be ineligible for 1 week beginning the Sunday after the report until the following Sunday. If after those 5 school days, the student is still not passing they shall be ineligible for another week. The third (3) suspension shall consist of another week. A fourth occurrence will result in a suspension for the remainder of the season. A total of eight suspensions of eligibility will result in a suspension for the remainder of the school year.
6. Students who owe more than \$10.00 in school debts will not be permitted to participate in any extra- or co-curricular activity until the debt is brought below that level or suitable arrangements to do so have been made with the principal.

NOTE: *A more detailed code is given to each participant before the start of each season.*

NOTE: *The Principal has the right to rule a student ineligible for up to ten (10) school days for repeated academic negligence. The Principal also has the right to waive the ineligibility status of the student in special circumstances.*

#### **FUND RAISING:**

There are times when certain organizations will need funds to operate. Fundraisers are a popular and effective activity to accomplish this goal.

Any school sponsored club, sport, class, or organization in the school must have their advisor submit a student activities request form to the athletic director for schedule approval. This form will then be submitted to the principal for final approval. No more than two organizations may be conducting a fund-raiser at the same time. Students may not sell items in school for any non-school sponsored organization without the approval of the principal.

#### **PHYSICAL EXAMS FOR ATHLETICS:**

According to Article V, Section 1 of the P.I.A.A. bylaws, no pupil shall be eligible to represent his/her high school in any interscholastic athletic contest unless he/she has been examined by a licensed physician of medicine, osteopathy or a certified school nurse practitioner no more than six weeks before his/her first sports season of that academic year. Before each subsequent sports season of the same academic year, he/she may be certified by a physician that his/her condition is satisfactory before he/she commences to train or practice the intended sport. Student athletes will be required to get a physical at his/her own expense.

#### **SPECTATOR'S RESPONSIBILITY**

Spectators are encouraged to attend athletic events and support the students who are participating on the school teams. Minersville Area School District expects the best decorum and sportsmanship of their athletes and spectators. Spectators shall refrain from booing, whistling, shouting, or showing any poor behavior toward the referees, players, cheerleaders, or other fans. Fans shall also refrain from any use of foul or abusive language and will be subject to removal from the premises if they fail to comply.

Spectators are reminded that the purpose of high school athletics is for young men and women to enjoy themselves and their sports. Endeavor to make your school known for its good sportsmanship. Remember that the reputation of the school depends upon your conduct before, during, and after the game or event.

#### **STEROID TESTING**

The Minersville Area School District has established a policy prohibiting anabolic steroid or any other muscle enhancing drug/substance use by a student athlete. Any student discovered to be using anabolic steroids or muscle enhancing drugs in any manner will be prohibited from participating in athletic events for the entire school year.

Random drug testing will be done at various times throughout the school year on student athletes. The testing will be conducted by a district authorized facility.

## **TRANSPORTATION**

Members of athletic teams or other school organizations must travel to and from activities which are not held on school property on a school bus unless student has obtained prior approval from the principal after the principal has received a written parental request.

## **ATTENDANCE**

### **ABSENCE PROCEDURE**

The Minersville Area School District's policy on absenteeism stipulates that a pupil who has been absent from school for any reason must submit a **written excuse** from his/her parent guardian to the school office within three days upon his/her return. If the student does not submit an excuse **within three days of the absence**, then the day of the absence will be deemed "unlawful" (16 years old and younger) or "unexcused" (17 years old or older). When a student is 16 years or younger the offense of an unlawful absence may be referred to the district justice for proper legal action, and/or juvenile probation. If the student is 17 years old or older, that said student would be subject to the school's disciplinary policy at the discretion of the principal or his designee for an unexcused absence.

**Calling:** A "One Call" will be made when a student is absent or tardy. Parents only need to call the school if there is a discrepancy.

*Note: Students must have an acceptable WRITTEN note for ALL absences. These notes should be handed in to the attendance secretary located in the main office. The principal and his staff determine the acceptability of these notes. An acceptable note must be submitted by the third day after an absence. Students who do not submit a note by that day will be considered unexcused for that date(s).*

**Prior Approval:** Absences for reasons other than those specified by state code (see Attendance Laws below) must receive prior approval of the principal and/or superintendent. Prior approval days are dependent upon the student's attendance and academic performance records. Examples of absences requiring prior approval are given below.

**College Visits:** Visits are limited to a total of six during the student's junior and senior years. A pre-visit note from parent and a post-visit note from the institution are required.

### **ATTENDANCE LAWS**

Regular attendance at school is imperative to academic success. Absence sometimes is unavoidable. In those cases, when illness, or other extreme emergency makes it impossible to attend school, the law requires an excuse from a parent/ guardian and/or physician.

The only acceptable reasons for excused absences from school under the PA State Compulsory Attendance Laws are: 1) illness, 2) family emergency, 3) pre-arranged doctor/dentist appointment, 4) educational trip with prior approval, 5) religious holiday, 6) death in family, 7) court appearances (copy of subpoena required), 8) pre-approved college visits, 9) unavoidable emergencies (reviewed by the principal and/or assistant principal), 10) out of school suspension (OSS), or some other insurmountable condition.

Absence for reasons other than those mentioned above are to be considered unexcused and for pupils under age seventeen, illegal. Unexcused absences include the following: 1) oversleeping, 2) missing the bus, 3) routine babysitting, 4) refusing to come to school, 5) hunting without prior approval, 6) taking a trip (vacation) without an approved educational field trip form by administration, 7) Bloomsburg Fair, 8) failure to turn in an excuse within three (3) school days, 9) any other circumstances deemed unexcused by the principal.

Parents of pupils under 17 years of age accumulating three days of illegal absence will receive official notice of a "first offense" violation and any additional occurrence of illegal absence may result in a fine being imposed upon the parents by a local magistrate. Offenses reaching this level MUST be processed through the Children and Youth Agency.

#### **Official Documentation Requirements:**

- 1) A student who is absent more than three consecutive days must have a medical excuse for this absence.
- 2) A student who is absent excessively may be required to submit official documentation (doctor's, dentist's notes, etc.) for every day of absence or it will be considered unexcused or truant. Generally, a warning letter will be issued before this requirement.

Once a student is required to submit official documentation, every subsequent day of absence will be unexcused unless official documentation is supplied. The student and parents may then face legal, disciplinary, and academic penalties.

NOTE: *A student with an excessive absence record who reaches the sixth consecutive day of absence must have official documentation into the office by that day or face truancy proceedings (fines, etc.) IMMEDIATELY - even if not in school.*

The School Laws of Pennsylvania require attendance by all children of compulsory school age. Regular attendance is necessary to ensure the continuity of the educational process and must be insured by the parent(s) or guardian(s) of the child. Irregular attendance patterns will negatively affect a child's school performance and his/her attitude.

The Minersville Area School District's policy established on absenteeism stipulates that a pupil who has been absent from school for any reason must submit a written excuse from his/her legal guardian to the school office within three days upon his/her return. If the student does not submit an excuse within three days of the absence, then the day of the absence will be deemed "unlawful". When a student is 16 years old or younger, the unlawful (truancy) offense may be referred to Children and Youth, the District Justice or the Schuylkill County Court in compliance with Schuylkill County's Truancy Policy. Below you will find a copy of this policy.

## **Schuylkill County Truancy Handbook for Parents and Youth**

**Revised May 2017**

Initially it is important to know that by definition compulsory school attendance is from ages 8-17. However if a student under the age of 8 is enrolled and attending school, they are also bound to follow the truancy policy once they begin school.

- A) Procedures when a student is **truant**: The law defines "truant" as a student subject to compulsory attendance who has three or more school days of unexcused absences during the current school year.
- Within 10 days of the student's third unexcused absence, the school will provide written notification that the student has been truant to the person in parental relation to the student. The school may offer an attendance improvement conference.
  - If the student continues to accumulate unexcused absences after the written notice is provided, the school will convene a school attendance improvement conference. The school will invite the child, the person in parental relation to the child, other individuals identified by the person in parental relation who may be a resource, appropriate school personnel, and recommended service providers. The school will provide the parent with advance written notice of the meeting. The conference may occur if the parent declines to participate or fails to attend the scheduled conference after advanced written notice and attempts to communicate via telephone. The school will complete a written school attendance improvement plan to document the outcome of the conference.
- B) Procedures when a student is **habitually truant**: The law defines "habitually truant" as six or more school days of unexcused absences during the current school year by a child subject to compulsory school attendance.
- When a child is habitually truant and under fifteen years of age at the time of the referral: The school will refer the child to a school-based or community-based attendance improvement program or to Schuylkill County Children and Youth Services for services or for possible disposition as a dependent child. The school may file a citation in the office of the appropriate magisterial district judge against the person in parental relation of the student.
  - When a child is habitually truant and fifteen years of age or older at the time of the referral: The school will refer the student to a school or community-based attendance improvement program or file a citation with a magisterial district judge. If the student continues to incur additional unexcused absences after being referred to a school attendance improvement program as recommended through the school attendance improvement conference, the school may refer the child to Schuylkill County Children and Youth Services.
- C) Upon receiving a truancy referral, Children and Youth will review the student's attendance record and determine if an investigation is warranted based on the frequency of absences and the length of the time over which the absences occurred. If Children and Youth determines the student's absences do not warrant an investigation, the agency will notify the district of their decision.
- D) Citations may not be filed if

A school attendance improvement conference has not occurred.

- A proceeding is already pending for violating compulsory school attendance.
- A referral has been made to Schuylkill County Children and Youth Services and the case is active with the Agency.
- A petition has been filed alleging the child is dependent due to being habitually truant and the case remains under the jurisdiction of the juvenile court.

#### **Additional services that can/will be offered and utilized in an attempt improve school attendance:**

##### **Children and Youth Programs:**

Family Group Decision Making (FGDM): FGDM is a conference bringing family members, friends, and social supports together in order to develop a working plan to improve school attendance.

- Family Support Unit/Signature Family Services/JusticeWorks: These in-home services provide parenting education and supportive counseling to assist families in resolving the concerns that lead to truancy.
- Access Services, Inc.: The Access Rebound Program provides mentoring, life skills counseling, and advocacy to help students enhance their educational experiences. Access also offers a nine-week school attendance improvement group to teach participants how to overcome risk factors that lead to poor school attendance.

##### **District Programs**

- Student Assistance Program (SAP): Each school district has a SAP team comprised of school personnel and community providers that can offer assistance to a youth in the school setting and refer to community resources.

#### **Penalties for Violation of Compulsory School Attendance:**

- Citations through the Magisterial District Justice Office can be issued to both the student and the parent. A person convicted of violating compulsory school attendance requirements may be sentenced to pay a fine not exceeding \$300, together with court costs, for an initial offense, not to exceed \$500, together with court costs, for a second offense and not to exceed \$750, together with court costs, for a third or subsequent offense. In addition, if the parents are issued a fine and they fail to pay the fine, the Magistrate can impose a jail sentence, not to exceed three days.
- Community Service can be ordered by the District Magistrate for both the parent and the truant youth.
- Student may be required to complete a school attendance improvement program.
- At their discretion, district judges may send the Department of Transportation a certified record of a student's conviction for license suspension. Upon a first conviction the child's operating privilege for operating an automobile will be suspended for 90 days. Upon a second or subsequent conviction, the child's operating privileges will be suspended for six months. Children who do not yet have a driver's license will be ineligible to apply for a license for the time periods of 90 days for the first conviction and six months for the second and any subsequent conviction.
- If a student is adjudicated dependent and continues to incur unexcused absences, the agency can recommend to the Court a weekend placement program. This program can be utilized for one weekend or as many as needed in order to encourage the student to attend school regularly. Students who are court ordered into a weekend placement program will be required to complete assignments provided by the school. In addition the youth will complete chores and any physical requirements of the program.

#### **PLANNED ABSENCES**

Students who are going to be absent from school due to a planned trip or vacation must complete a "Planned Absence Request" form in order to have those days marked "excused." **In requesting a vacation absence, the student and family must realize that this increases the likeliness of the student suffering academically.**

Planned absence forms must be submitted to the school administration three (3) school days prior to the requested absence. Forms are available in the High School Office. Vacation absences will not be approved after consideration of the following factors:

- Requested within the first five (5) days of the school year.
- Exceeds five consecutive school days or the student already has been approved for five (5) cumulative educational field trip days for the current school year.
- Testing day for state assessments (PSSA/Keystone)
- The student's attendance status:
  - Students absent 10 or more days without an official excuse (doctor's note, death in family etc.) will **not** be granted an absence request;
  - If the student's absence totals (without an official excuse) reach or exceed 10 days with the approved vacation, the student will be required to furnish an official excuse (doctor's note) for each additional absence for the remainder of the year;
- Completed forms turned in to the school office three (3) school days prior to request.

- These days will be added to the student's cumulative attendance.

Students who attend unapproved trips will be marked as unexcused and will receive a grade of zero for all work/exams the days the student was absent.

1. If approval is given prior to the trip, the student's absence will be listed as excused. If prior approval is not received, the absence will be classified as unexcused/unlawful. Should the student's absence extend beyond the approved time, those days will be classified as unexcused/unlawful.
2. The student is expected to complete all schoolwork that is assigned during the school absence. It will be the student's responsibility to contact teachers and make up any missed assignments.
3. Permission will not be granted for trips/tours during the State or District's standardized testing period.

### **EXCUSED FOR APPOINTMENTS**

Approval for early dismissal is not automatic. The principal will determine the validity of the reason for such dismissal. As much as possible, all appointments should be scheduled for after school. However, if this is not possible, then the following procedures must be followed:

1. A note from the parent/guardian or an appointment card stating the reason for the absence must be submitted to the office during homeroom period. A phone number should be included at which the appointment can be verified. If the appointment is before or during 1st period, the parent/ guardian of the student must call the office before 8:10a.m. notifying the school of the absence. When the student returns to school after the appointment, a note or appointment card should be turned in at this time.
2. When time permits, as determined by the principal, failure to report to school before or return to school after an appointment will be considered "truancy" and appropriate disciplinary actions will be taken. (An appointment will RARELY be considered an excuse for a full day's absence.)
3. At the time of the student's arrival or return to school, the student is to report to the office and sign in. The office will then give the student a pass to enter class.

### **EXIT VIOLATIONS**

These occur when a student leaves school property either for the balance of the day or for any period of time during the day without following sign-out procedures. These violations apply to any student in route to school, who comes on school property for the purpose of reporting to school.

### **EXTENDED ILLNESS**

An extended illness is any illness that constitutes 3 or more consecutive school days. In the event of an extended illness, homebound instruction will be provided by the school district at no expense to the student's parent/guardian. The following procedure must be adhered to in this event:

1. The attendance secretary must be notified immediately. 570-544-1400 x2002
2. A doctor's excuse is required to satisfy the attendance laws and will be submitted from the principal to the superintendent.

### **SIGN-OUT PROCEDURE**

Any student leaving the building must sign out in the office before leaving. No student may leave school without securing permission from both the office and a parent/guardian. Anyone who does so commits a school exit violation.

Students signing in after 9:30 a.m. are considered ½ day absent. Students signing out prior to 12:30 p.m. are also considered ½ day absent. A student who signs out an excessive number of times may be required to submit official documentation (doctor's, dentist's notes, etc.) or have this time considered unexcused and/or truant.

### **TARDINESS:**

Tardiness refers to arrival at school after the required starting time of 7:40 a.m., unless there is a school delay, at which the starting time will be adjusted appropriately for the amount of the delay. The school officials will determine if a tardy is excused or unexcused. The student will also be subject to disciplinary measures.

**Students entering the building after 8:30am with a parent must sign in at the main office of the high school. Parent is required to sign the student in.**

**Sign-in** - Tardy students should proceed directly to the office, not to a locker, lavatory, or classroom. They will be given a pass which will admit them to class. Teachers will not admit tardy students without an office pass. Students deliberately missing time before signing-in will be given class cutting and/or truancy penalties. Students who do not sign-in will be given penalties for cutting

class and/or disobedience.

Excused/Unexcused - To be “excused” a student must present a written acceptable note to the office upon entering the school. If a note is not presented at this time, the tardy is “unexcused”. A student who claims illness 3 times as an excuse will be required to bring medical verification for all subsequent tardies or have time considered unexcused and/or truant. Only one “emergency” note per semester will be accepted as an “excusable” tardy. Oversleeping is never an excuse for tardiness no matter whose fault it is. Students, who are both tardy and unexcused for more than one full period, will have full periods totaled and counted toward truancy, with resulting in fines, legal actions, etc.

### **TARDINESS CONSEQUENCE**

If a student is excessively tardy to school, the following disciplinary actions will be taken:

1. 3 to 7 days tardy (per semester) – A student who has exceeded 2 days tardy will be given a detention for each time he/she is tardy from 3 to 7 times; parents will be notified.
2. 8 to 10 days tardy (per semester) – A student who has exceeded 7 days tardy will be given an ISS and/or loss of student driving privileges for each time he/she is tardy from 7 to 10 times; parents will be notified by the administration.
3. 10 plus days of tardiness (per semester) will result in ISS for each day tardy and the student will forfeit his/her privilege to participate in sports, all school activities, and all dances (including the Holiday Dance and the Prom) for the remainder of the school year. Parents will be required to have a conference with the Principal.
4. Parents should contact the High School Administration to discuss any concerns or situations that may result in the need for special arrangements or to address their child’s tardiness.

### **EXCUSED ABSENCES / OFFICIAL EXCUSES**

Absences will be deemed excused providing that a parent or guardian has submitted a note to the attendance office.

\* Students who are chronically absent may be asked to furnish an **official** excuse for each absence. Parents will be notified by mail if official excuses are required for each additional absence. \*

The following is a list of accepted official excuses:

1. **Medical excuses issued by a health care provider for each absence stating appointment/absence date and time (written note from a doctor);**
2. **Death in the immediate family;**
3. **Court appearances (documentation from the courthouse confirming appearance);**
4. **School related absences (i.e. field trips, academic competitions, athletics, etc.);**
5. **Religious Holidays (must be pre-approved by administration);**
6. **Other exceptionally urgent reasons that are authorized by the High School Principal or Assistant Principal.**

### **UNEXCUSED ABSENCES/TRUANCIES**

Students who accumulate unexcused absences will be subject to a SAIP (School Attendance Improvement Plan) meeting with school officials to discuss ways of eliminating truancy in the future. Unexcused absences/truancies will also be subject to the issuance of citations and the assignment of appropriate discipline, including detentions and after-school extended detentions.

Depending on the nature of the absences, students may receive a zero on all graded assignments/tests for that day. Students required to have official documentation for all future absences must have proper documentation or that student will receive zeros for all graded assignments/tests for that day.

**Any student accumulating four (4) or more unexcused absences in one semester, will lose all extra-curricular privileges for the remainder of that semester.**

## **DISCIPLINE**

### **PHILOSOPHY OF DISCIPLINE**

The Minersville Area School District realizes the importance of maintaining a proper educational environment. With this objective in mind, the district has created a disciplinary structure to handle any disruptions to this environment. The maintenance of discipline in the schools is essential to an effective learning climate and is the responsibility of the School Board, administrators,

teachers, students and parents.

The student has a basic responsibility to conduct themselves in a manner that does not detract from the learning process. He/she must know and understand school regulations, make every effort to uphold them, recognize that those in authority have the responsibility for maintaining the orderly process of education. The student has the right to expect that the disciplinary action of teachers and Administrators shall be fair, consistent, and appropriate to the offense.

Our disciplinary system consists of 5 basic types of punishment:

- 1) Detention
- 2) In-School Suspension (ISS)
- 3) Out-of-School Suspension (OSS)
- 4) Formal hearing
- 5) Expulsion.

The level of punishment is based on the following factors: the extent of disruption to the educational process, the threat to the safety and welfare of others, and the reoccurrence of the offense.

Within our school, as within any community, certain rules, procedures, and standards of conduct are established to guide students through constructive growth into mature adulthood. These rules, procedures, and standards are presented in this document so that students, parents, teacher, and administrators know what is required. Only by working together under clearly stated and consistently enforced regulations, can we maintain a firm but fair disciplinary system.

## **SENIOR PRANKS**

"Senior Pranks," which include any type of childish prank, nuisance decorations, vandalism, or trespassing on school property by **any** student, will not be tolerated by the Minersville Area School District.

During the regular school year, the discipline of a student involved in a prank or vandalism will be governed by the Code of Student Conduct. However, during the graduation season when the Code of Student Conduct may not be sufficiently applicable, students involved in a senior prank will receive disciplinary action that shall include, but not be limited to:

1. Suspension from the graduation ceremony
2. Citation for institutional vandalism or criminal mischief
3. Fines, costs, and restitution.

### **LEVEL IV ACTION**

These actions are often criminal and are so serious that they require administrative actions, which result in police involvement and in the immediate removal of the student from school.

Violation of the drug and alcohol policies (#227 & #227.1) or related offenses may result in an automatic ten-day suspension, referral to law enforcement, recommendation for expulsion, SAP referral, and referral to MAVA.

\*MAVA = Minersville Area Virtual Academy

### **TYPES OF PUNISHMENT:**

**Detention:** There are two detention sessions. Tuesday and Thursday PM (2:35pm – 3:15pm), or other appropriate times scheduled by the principal and assistant principal. Students must be silent and do school work at all times during detention session. When a detention has been assigned the student will receive written and verbal notice of this assignment in school and the parent will be notified of the detention assignment by telephone or detention notice. Work schedules, babysitting responsibilities, or lack of transportation will not be acceptable excuses or reasons to re-schedule or not appear for a detention. Students have the responsibility of arranging transportation, adjusting work and babysitting schedules in advance, to comply with the originally scheduled detention. Students who do not comply will be subject to greater discipline measures. The best way for a student to avoid conflicts with work and difficulty with transportation is to avoid misconducts that would result in a discipline measure being assigned after normal school hours.

#### **In-School-Suspension (ISS):**

Students who receive this penalty are placed in the ISS room for the entire school day. Students are to be working and silent at all times while in this room. Lavatory and lunch restrictions are also enforced. Normally, the first ISS for a specific violation will begin within three (3) days after the day of assignment. For subsequent violations, the student will usually be put in ISS immediately. Students in ISS will be provided classroom work by their respective teachers. It is expected that all of this work is completed that day.

#### **Out-Of-School Suspension (OSS):** At this level students will be excluded from school for anywhere from one to ten days.

NOTE: In cases in which it is practical, the principal may assign ISS where OSS is usually specified if the student is judged to be an attendance “problem”.

**Student’s suspended in-school (ISS) or out-of-school (OSS) may not attend or participate in any after-school function, activity, or event during the day(s) of the suspension. Participation in all school related activities may resume upon full completion of the suspension.**

Students who are suspended out-of-school may not come onto school property (except for schoolwork or appointment approved by the administration). Participation in all school related activities may resume upon full completion of the suspension.

Students shall be permitted to complete all assignments missed due to the suspension from school. If assignments are not received by the suspended student before departure from school, the parent or guardian may request the assignments by contacting the high school office.

**Formal Hearing:** Accumulation of infractions may result in formal hearing with the superintendent at which student is placed on probation. If the student's behavior does not improve during probation, the student may be subject to expulsion.  
NOTE: *Principal and/or Superintendent's Conferences will be utilized as necessary.*

**Expulsion:** The principal's and or superintendent's recommendation to the school board for a student to be expelled from attending school for 11 days or more. Expulsion results from repeated and/or severe disciplinary infractions. It is the final step in the disciplinary process. Both the student and the parent must be present at the expulsion hearing.
