Jennifer C. Laudeman, Business Manager

December 14, 2020

Dear Parents/Guardians,

The Minersville Area School District does not dismiss the notion that COVID-19 has been very difficult for many of our children, staff, and parents. As you know, we are always concerned regarding the safety and emotional well-being of our students. It is imperative that during this time, we continue to work together to ensure that our students are able to cope and navigate emotionally to ensure their success.

I would ask that if you as a parent/guardian see any type of negative behavior exhibited by your child, please reach out to the school for assistance. Also, please see the attached resource for you to consider if you need any type of help should a situation arise. You can also attain information on the Pennsylvania Department of Education Website (PDE) by logging onto [Self-care for Families and Youth](#) and [Promoting Positive Learning Climates Online and at Home](#). We want to be certain that no stone goes unturned if our students may be experiencing issues with their emotional well-being. COVID-19 has put so much stress on all of our families, and we want you all to understand that we are here to offer support any way we can.

I want to take time once again to thank all of you for your continued support and dedication to your child's education and well-being. We are truly in this together. Only together can we overcome the obstacles that have been part of our lives for the past year.

Yours in Education,

Carl G. McBreen, Ed.D.

Superintendent of Schools
